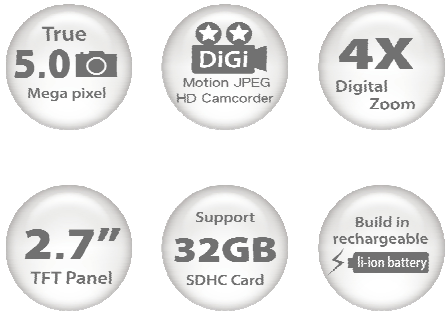
G-Shot HD530

HD camcorder

Genius releases a new version of the HD series of camcorders , G-Shot HD530. It's a competitively priced unit that includes an upgraded 2.7 inch LCD panel and a built-in rechargeable lithium battery that can continuously record for longer than 1.5 hours.

As well as its HD advanced recording features, G-Shot HD530 also includes a high performance 5 megapixel camera lens (interpolation up to 12 megapixels) that takes clear and brilliant photos. With its 4x digital zoom, you can shoot or capture great photos and videos, far or near. G-Shot HD530 brings a more advanced and affordable camcorder experience.



Features:

- HD digital video camera, records at 30fps/1280 x 720
- 2.7" LCD screen
- Supports SDHC up to 32GB
- 4X Digital zoom
- LED light support
- Built-in lithium battery

Package Contents:

- Camcorder
- USB cable
- AV Cable
- CD ROM for application software
- Multi-language quick guide
